

January 28, 2024

Good evening U-High Families,

I can't believe the end of January is here. We have an exciting week ahead of us! Here is important information for this week:

- We have a [Schedule E](#) on Wednesday, January 31<sup>st</sup>. Two important events are happening that day:
  - We are **welcoming our ISU students** assigned to our classrooms that day at 1:15 pm. Our new "TCH students" will be in classrooms beginning on Thursday. This work is an important part of our mission.
  - Our **Prospective Student Open House** is from 6:00 – 8:30 pm that night. Please encourage your family and friends considering U-High to attend our Open House to learn what we are about. We are grateful to all of our students, faculty and families that help us shine!
- We are looking for someone to host a senior in high school in an **Ag Business internship**. If you know someone who may be willing to do so, or would like more information, please contact Mrs. O'Connor at [clocon2@ilstu.edu](mailto:clocon2@ilstu.edu).
- The Counseling Center held their registration meetings this past week. All 24-25 Course Registrations are **due by February 9<sup>th</sup>**.

Please let me know if you have any questions. I hope everyone has a great week!

Best regards,  
Andrea Markert  
Principal  
University High School
