GenCyber Summer Camp
for HIGH SCHOOL STUDENTS
at
Illinois State University
July 11-15, 2022

The 2022 GenCyber Camp at Illinois State University seeks to ignite and sustain Cybersecurity interest at the high school level. High school students who are 15 and older are eligible to participate in the camp. Come attend this FREE residential summer camp and learn fundamentals of Cybersecurity while experiencing campus life at ISU! You will learn from professors at ISU in a face-to-face setting, and understand fundamental Cybersecurity concepts through hands-on lab exercises, discussions and group activities.
