

Dual Enrollment at Illinois State – Spring 2023

All interested students must complete the following steps by the deadlines listed; failure to meet these deadlines will end your participation in this program for the upcoming semester.

Course availability and selection is **not guaranteed** for Dual Enrollment students. *By taking courses, you will be establishing an ISU grade point average.*

1. Submit Dual Enrollment interest form by **Friday, October 21, 2022**.
2. If the Academic Advisors have questions about course requests, they will send an email to the students **ISU e-mail**, be sure to list the ISU e-mail address on the interest form.
3. If you are **not** currently enrolled in a course at Illinois State or have never taken a course at ISU, you will need to apply to ISU at <http://admissions.illinoisstate.edu/apply/>. Your University application must be submitted by **Wednesday, October 19, 2022 for Spring 2023. (see attached instructions for how to apply)**
4. Dual Enrollment student registration will begin **Monday, November 7, 2022**. The **deadline** to submit for Dual Enrollment is October 21, 2022. **(Once you have been approved, you will receive an e-mail from Kelly Schoon at ISU with instructions on how to register for classes at ISU).**
5. All students that attend ISU will be required to complete a Financial Agreement before registering. Kelly Schoon will send instructions on how to complete this form once you have been approved for your course request.
6. University College Advisor (Kelly Schoon) will also be available by phone (309)438.7925 for registration help during regular office hours (Monday through Friday from 8:30AM to 4:00PM.)

Please check your **ISU** email account for any updates. If you have any questions, please contact Kelly Schoon at kmschoo@ilstu.edu.

Course Selection

- **Math courses** require placement either through ALEKS math placement <http://registrar.illinoisstate.edu/testingservices/aleks/> or through AP Credit.
- **Foreign language** placement is based upon readiness and years of coursework.
- Other courses may have prerequisites; readiness may be based upon previous high school or college coursework and/or AP Credit if appropriate.

Transferring Credits

The information provided about courses is specific to Illinois State University, transferring of credits earned from your courses may be at the discretion of the institution you choose to attend. We recommend contacting institutions you may wish to attend.
