

**Pioneer Hall of Fame: Grant Anderson, class of 1989**

A highlight of Grant's career was working with director Jim Cameron on the movie *The Titanic* and winning the 1998 Academy Award for Best Visual Effects with his team at Digital Domain. While employed with the Walt Disney Corporation in 1999, he worked on the movie *Dinosaur*, a groundbreaking project in animation.

He is currently a producer for Stan Lee Entertainment. This company focuses on 3-D animation for Web television and film. It is also well known for its work with

Spiderman.
