### **Homecoming:**

Extensive discussion was held regarding Homecoming pre-game Fundraising. Current available funds total \$4,000, which won't cover much beyond this year.

Following our May meeting, it was decided to go forward with a silent auction, and each Committee Member was asked to contribute a gift donation to be included in a pre-game silent auction. Marc was able to gather donations from approximately 9 local donors. After much discussion, it was decided that those items will be raffled off, and the winner(s) will be announced during halftime of the game.

There will be no further efforts to organize a silent auction this year. Instead, we'll see how this year goes with meal ticket sales to non-alumni along with any donations we hope to receive that are specifically directed to the Alumni Association. We will suggest a \$5 meal donation as well. Additionally, there was discussion about contacting ISU Athletics regarding the donation of

individual/season tickets to be raffled off.

We'll possibly explore forming a Homecoming Funding Committee in the future.

Marc will do a write-up to promote the Alumni Association as well as market our efforts to raise these necessary funds in his President's Letter in the next Pioneer.

**Next Meeting:** Monday, September 9, 2019, 6pm.
